

Candidate Consent Form (ROGN 6b)

Candidates should read the statements below and add their signature of acceptance:

I acknowledge and consent that the Party will process personal data relating to me as part of the selection process, (which may where necessary, include data classified as special category data under UK GDPR e.g. data relating to my health and data held for equal opportunities purposes). Such data will be processed under UK GDPR Article 6(a) 'Consent' and Article 9(a) 'The data subject has given explicit consent to the processing'.

The Party will hold such personal data to meet its obligations as part of the selection process. My right to access of such data is as prescribed by law.

I also agree that:

1. In the event of my selection, I will negotiate an agreed Compact between me and the relevant local party(s)/regional executive within three months, setting out a commitment from each as to the level and nature of campaigning activity to be undertaken before the election and, if I am elected, for the term of my election.
2. In the event of my election, I will make a reasonable contribution towards ongoing Party activity, the exact level to be determined following the election by agreement between me and the relevant body and by reference to any relevant guidance then in force.

I confirm that, to the best of my knowledge and belief, I pose no reputational or legal risk to the Liberal Democrats other than in anything I have already declared. There is nothing in my background or conduct which could bring the party into disrepute should it subsequently come to light.

Please check the box below if you give consent for the Party to process your data.

I consent to the Liberal Democrats processing the information I have provided in this form: []
